## 5. Cancellation and returns

**5.1** This policy does not apply to goods ordered by businesses which are exempt from the Distance Selling Regulations, or the following goods which are exempt from the right to cancel.

Any items which have been custom made, such as products made from our Made to Order ranges, labeled items & styles outside of the options listed on our website, or any item which you have asked us to create in a bespoke fashion.

For Trade and Business customers, please see section 8.

**5.2** You can cancel your contract at any time before notice of order processing. To do this, please e-mail, or write to us. We are unable to accept cancellations by phone. Please refer to point 5.1 for items exempt from this term.

**5.3** You do not have to give any reason for cancellation. However, a brief explanation will help us to improve the service we offer to customers in the future.

**5.4** If you cancel after delivery, you must return the goods within 7 days, complete with the original packaging to us and/or our supplier (or any other UK address specified by us), at your own expense. You must ensure that the goods are packaged adequately to protect against damage.

**5.5** You may not return any goods that have been unpackaged unless they are faulty. For exempt goods please see point 5.1.

**5.6** If you fail to return the goods, we will collect them, and we will charge you the direct cost of collection. If you fail to take reasonable care of the goods before they are returned to us, and this results in damage or deterioration, we will charge you for the reduction in value.

**5.7** We will refund all monies paid to us by you including any postage / carriage within 30 days, less any costs due under this contract. Please see point 5.1 for exemptions.

**5.8** We reserve the right not to replace any item that has been unpackaged, as we will deem this acceptance of the goods.

**5.9** We will not be held liable for fees or any other professional trades persons fees due to late, damaged or lost deliveries.

**5.10** We are not liable for any loss earnings due to late, incorrect or lost deliveries.

**5.11** We reserve the right to refuse replacements on any damaged items reported to us outside of two working days. Please refer to points: 4.10 and 4.11.

## 6. Faulty Goods / Guarantee

**6.1** If there is a problem with the goods, please notify us by email or in writing providing details of the problem. In addition, you must provide us with a digital photograph of the problem as this saves you having to return the goods for inspection. We will deal with the matter in accordance with your legal rights. Please see points 4.10 and 4.11 for time restrictions.

**6.2** All non consumable goods are covered by a manufacturer's warranty against faulty workmanship and materials, subject to the terms and conditions of that warranty.

**6.3** The manufacturer's warranty on non consumable goods is provided in addition to the rights that the law says you have as a consumer and accordingly, your statutory rights are not affected.

**6.4** If an exchange is necessary, this will be arranged without unreasonable delay and without charge. Replacement goods will not be dispatched until either a indicative digital image is supplied by the customer, or the original goods have been received at our warehouse and checked.

The cost of returning goods to us is your responsibility, however on inspection we will refund your reasonable postage costs, providing that the goods are found to be faulty. If the goods are not faulty, we will return them to you, however you will be required to cover our reasonable postage costs.

**6.5** For individual warranties for specific products these will be in line with the original manufacturers warranties.

**6.6** Non consumable items must be constructed and maintained following manufacturers instructions, failure to do so may void your warranty.

**6.7** Items upon receipt must be stored in a cool, dry environment.

**6.8** Items upon receipt must not be located near any source of heat or steam.

**6.9** Within the time-scale laid out in point 6.5, we will replace defective goods free of charge, at our discretion, providing that you have returned to us any faulty goods upon request.

**6.10** Defective non consumable items will be replaced, as outlined above, free of charge.

**6.11** If an item is no longer available we will offer an alternative. However, our liability will be to replace the faulty goods only and we are unable to guarantee an exact match. In this instance, you will have the option of a refund on the items under the warranty claim.

**6.12** Where we replace faulty goods you are responsible for their disposal if they have not previously been returned to us.
